Clubs-Organizations

Fern Ave. Faculty Organize Club

The faculty of the Fern avenue school has organized a club for the purpose of studying centers of interest in and about Torrance.

The club was organized by Mrs. Oda Vans, principal, and will include three representatives of the Parent Teachers Association. These representatives will be elected at the parent-teacher meeting next Tuesday.

Regular meetings will be held from 3 to 5 o'clock each second Tuesday of the calendar month. The group plan to visit civic buildings, industrial plants, shops, distribution centers, etc.

The "Know-Your-Torrance" Club wishes to receive invitations to visit various shops and industrial plants in Torrance.

A. L. A. Initiate Four Members

Fifty members attended the meeting of Bert S. Crossland American Legion Auxiliary Unit 170 Tuesday evening in the Legion hall. The president, Bess Myers, assisted by her staff of officers, initiated four members, Mrs. Nina Jumper, Mrs. Bessie Bolander, Mrs. Cora Johnson and Mrs. Dollie Hoxie.

Lucille Lewellen, 19th district vice president, instructed the candidates in showing proper respect to the flag. Pat Boyle, commander of the Legion, with representatives of Fanchon and Marjo, appeared at the meeting and asked the co-operation of auxiliary members in selling tickets for the Legion Frolic to be held in the civic auditorium, Friday evening, Sept. 25, and invited them to a steak bake at the city park Tuesday, Sept. 29.

Olivia Lee brings new honor to Torrance auxiliary by having been appointed district rehabilitation chairman. Mrs. Lee has had a vast amount of experience in this field of auxiliary work and last year served as chairman for Bert S. Crossland Unit. She is now serving as unit chairman but will in all probability resign to give her undivided attention to the district affairs.

The next district meeting will be held in the civic auditorium, Friday evening, Oct. 23. Twenty-three units of the American Legion Auxiliary will be represented with an attendance of approximately 300.

The annual carnival and ball will be held in the auditorium the following evening. Tickets for the affair were placed on sale Wednesday.

ASK FOR THESE BOOKS AT THE LIBRARY

"One of the ferments working in this remarkably yeasty period is the new and general interest in the idea of consumer co-operation. People are talking about it everywhere."

The consumer co-operative has been a going concern in Europe for 90 years and has struggled along for a considerable time in the United States. Only lately have Americans as a whole shown much interest in the idea. Many magazines are publishing articles on the subject; Harper for August has a well rounded picture, "Consumer Goes Into Business" by Avis Carleson. "The Co-ops' Challenge to Business" by Bertram Fowler in the July issue of Review of Reviews is an interesting survey.

These are only two of many that have been appearing from time to time since January, 1936.

Books on the subject the library has are: J. P. Warbasse, "Co-operation Democracy," a discussion of the co-operative movement, philosophy, methods, accomplishments and possibilities. B. B. Fowler, "Consumer Co-operation in America—1936," is a vivid up-to-date report of the Consumers' Co-operative movement written by an outstanding journalist who has spent the past year studying the co-operatives in action.

The following title is ordered and anticipated in a few days: "Sweden, the Middle Way," by M. W. Childs—which has rated steadily among best sellers in non-fiction, and which gives an interesting analysis of the factors which have produced Sweden's remarkable recovery; consumer's co-operatives, labor organizations, government operation of utilities.

Farm Bureau Day At County Fair

F. F. Merriam, governor, and Mr. R. W. Blackburn, president of the California Farm Bureau Federation. Special tickets of admission to the fair grounds and for the barbecued dinner are available at the farm bureau offices in Los Angeles and Van Nuys.

To Preside At Meetings During Ensuing Year

Activities of the Edison women's committee for the fiscal year were outlined at an executive board meeting called by Miss Margaret Watt, president, on Wednesday of this week. The officers serving with Miss Watt are Mabel Orchard, vice president; Miss Peggy O'Brien, secretary, and Miss Alice Peterson, treasurer.

The program calls for ten meetings beginning in September, 1936, and ending in June, 1937. The following chairmen will preside at these meetings:

Chairmen Appointed
Mrs. Grace Armstrong, home service; Mrs. Helen P. Mougey, relations with other clubs; Miss DeaVee Strand, social; Miss Jean Biscailuz, safety and first aid; Miss Mary M. Shrum and Miss Margaret Kerlin, Beverly Hills, speakers' bureau; Miss Terry McNally, library bureau; Miss Jeanne Mitchell, load building; Miss Audrey White, debates and dramatics.

Miss Pearl Scott has been appointed as chairman of the remembrance committee, and Miss Lorene Slisson, chairman of the year book committee and publicity chairman.

The principal objectives of the women's committee are education relative to the company and the industry, development of individual talent, good public and employ relations, and load building.

The benevolence chairman, Miss Mabel Orchard, and her committee are making plans for a Christmas party for poor children, and each girl has been asked to dress one or more dolls to be given away. Scrap books are also being made for a children's hospital. As in the past, food and clothing will be distributed to needy families at Thanksgiving and Christmas.

Much enthusiasm is being shown by the new chairmen and they are looking forward to a very successful season.

The first meeting of the year will be held on Sept. 17, and Miss Mabel Orchard will be in charge.

Haig Home After Five Months' Trip

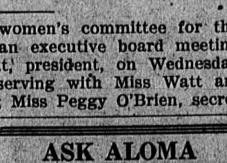

F. R. Haig, of the firm of Haig & Haig, photographers, arrived home Monday night from a vacation trip of five months. Mr. Haig left here last spring for England where he visited his father and other relatives in his old home. On his return he took a leisurely trip across Canada, stopping off at many places in the Northwest. Only the expiration of his ticket brought him home so soon, as he had left the business in the capable hands of his daughter Mary and so was able to travel and visit without a care. Miss Haig is turning the job over to "Dad" and will leave in a few days for a much needed vacation trip of her own to Yosemite and other resorts.

Ada Chase Speaker At Guild Meeting

Members of the Woman's Bible class of First Christian church were taken on an imaginary tour of Mexico by Miss Ada Chase, who spoke before them at their regular meeting in the guild hall Friday evening.

The ladies with their husbands as guests, swelled their attendance to 100 and all were delighted with the manner in which Miss Chase presented her talk. With maps drawn by herself, Miss Chase transported her audience to interesting parts of the country and exhibited original Mexican paintings, hand-woven rugs and tapestries. She told of the train service and answered questions for those who cared to ask.

Betty Mae Weaver gave several violin solos. Mrs. Jas. H. Crumrine presented the program. Light refreshments were served at the close.

Paris Styles

By MARY FENTRESS
United Press Staff

PARIS (U.P.)—The two-piece dressy suit will play an important role in fall and winter wardrobes, judging from the early Paris fashion shows. Heavy crepe, cloque weaves, taffeta, velvet and moire are seen most frequently in these tailored and rather formal afternoon suits.

Black moire is used for one of these suits that is practical for everything from tea or cocktails to informal restaurant dining. The skirt is cut short and on the bias to give a slight flare at the hem. The hip-length jacket is fitted closely to the waist then flares out in a peplum that dips lower in back than in front.

The neck yoke and small turnover collar are of white ermine. The yoke extends over the broadened shoulders and forms a squared bib in front and in back of the jacket. The white touch is further carried out in a long-sleeved, high-necked blouse of brocade which has a scalloped neck yolk that duplicates the squared ermine neck of the jacket.

A peaked black velvet hat, the brim of which turns up clown fashion all the way around, is trimmed with a small bit of white ermine. Black velvet gloves, a three-inch velvet belt, and matching purse and shoes complete the outfit.

These dressy afternoon and early evening suits can be made more or less formal by the choice of a blouse. Rich laces and velvets are used for semi-formal restaurant dining, while crepes and satins are shown for tea or cocktail wear.

TODAY'S FASHION TIP

Tailored suits in black moire or taffeta will be popular this fall and winter.
